This bulletin contains information about Immigration, Court and Patent forms.

This bulletin also contains information about pending updates to Land Registry, Children Act and Matrimonial forms.

IMMIGRATION – FOR IMMEDIATE USE

The Home Office has updated the following forms for immediate use. In line with Rule 34Y of the Immigration Rules, *where an application is made no more than 21 days after the date on which a form is specified (within the meaning of paragraph 34) and on a form that was specified immediately prior to the date of the new specification, the application is deemed to have been made on the specified form (and is therefore not to be treated as invalid by reason only of being made on the “wrong” form).*

COURT – FOR IMMEDIATE USE

The following forms have been updated and are available for immediate use.

We have taken the opportunity to simplify the Laserform High Court forms range, allowing the selection of Royal Courts or District Registry as appropriate on a standard form set. This is based on customer feedback and makes it easier to find the form you need. As a result the District Registry and Royal Courts of Justice specific forms are no longer required and are withdrawn.
