

Form Updates for Laserform & Cloud Forms

Update No: **856** Date: **1 October 2021**

This bulletin contains information about **Conveyancing, Immigration, Probate and Tribunal forms.**

Conveyancing for Immediate Use

In order to reflect legislative and industry change, the Law Society, in conjunction with the Drainage and Water Searches Network (DWSN), have developed a commercial drainage and water enquiry (CON29DW Commercial). This development has created a standardised enquiry that validates valuable information regarding, inter alia, wayleaves and easements. Accordingly, the 'existing' CON29DW, should now be used for residential enquiries only whilst the new CON29DW Com will be used for commercial enquiries.

The two separate forms, CON29DW (for residential properties) and CON29DWCom (for commercial properties), are available now for immediate use.

Law Society forms are not part of the standard library so if you would like to add the new form CON29DWCom then please contact your account manager to have the form added to your library.
