

Form Updates for Laserform & Cloud Forms

Update No: **893** Date: **18 October 2022**

This bulletin contains information about Legal Aid, High Court and Immigration forms.

Legal Aid for Immediate Use

Further to customer feedback, the LAADF and LACIVECF2(INQ) have been added to the library, these are now available for immediate use. You may not automatically receive new forms so please contact your account manager if you want to add these to your package.

In addition, earlier in the year the Legal Aid Agency updated the following Escape Fee Case Claim forms into excel format with a requirement that each field must be completed in turn, to ensure that no information is missed out.

- LAECCLAIM1(IMM)
- LAECCLAIM1(MH)
- LAECCLAIM1CIVIL
- LAECCLAIM1CLA

As this is not a format currently supported by Laserform we will now be withdrawing these forms to avoid accidental use.
